# changes to bus services in Cardiff

with the opening of  
St David's 2 and  
other changes in the  
city centre  
we're making  
improvements  
to many of our  
bus services  
from 4 October 2009

Big changes are happening in our city in October with the opening of St Davids 2 shopping centre. After months of disruption this can only be good news for Cardiff and everyone that uses the city centre, whether for work, shopping or leisure purposes.

So at Cardiff Bus we're changing where buses arrive and depart in the city centre, with many running in a circular loop around the shopping area making it easier to get to where you need to be.

This leaflet gives an overview of what routes have changed, but for full details get the new timetable leaflet for your route from our Customer Service Centre in Wood Street, go online, email or phone us.

Below is a map showing the location of city centre stops, and on the right a directory of the bus stops used by all our routes in the city centre.
