# upgrading of Porth town centre bus stops

temporary arrangements from  
**9 February 2010**

**Rhondda Cynon Taf Council have commissioned a programme of works to upgrade the bus stops in Porth town centre.**

In Pontypridd Road, new high quality shelters, raised kerbs for easier access to buses, seating and improved customer information are to be provided at both stops in an effort to greatly improve facilities for bus passengers. A new toilet block will also replace the existing one opposite the old Lewis Merthyr Club.

Buses serving Porth town centre will stop at different locations along Pontypridd Road and Porth Street as the work proceeds.

From 9 February 2010, the stopping area opposite the old Lewis Merthyr Club will temporarily be taken out of use, with certain services transferring to a temporary stop closer to the entrance to Morrisons.

Full details of the stops that will be observed by each service during this first phase are shown below.

- The existing stop just before the entrance for Morrisons will be for buses to the Rhondda Fach and Fawr plus local services.
- The temporary stop will be used by buses travelling in the Trebanog/Tonyrefail direction (124 to Cardiff and 150 to Gilfach Goch), together with the 132/X32 to Cardiff and the 120 to Caerphilly.
- **Please note that buses will only observe either the Morrisons or the temporary stop NOT both.**

The stop at the Police Station is also to be upgraded, once work on the two Pontypridd Road stops is complete.

**Stops served from 9 February 2010**
